

Call for Posters

Joint Symposium 2024

Integrated Initiative for Designing Future Society and Data-Driven Innovation Initiative

Create new possibilities with “Integrative Knowledge”

We are calling for initiatives and ideas to solve social issues in collaboration with researchers and students from different fields.

We hope that this poster session will serve as a catalyst for exchange across disciplinary boundaries and lead to social change through integrative knowledge.

We look forward to your participation.

Registration Deadline
Mon, July 29
Poster data submission deadline
Fry, Aug 23

Eligibility

Faculty, staff and students of Kyushu University
 (Groups are also welcome to apply)

Poster topic ideas

The topic should be related to (1) Decarbonization, (2) Medicine and Health, (3) Environment and Food, (4) DX, or (5) Next Issues (a field that is expected to become a new strengths or distinctive feature of our university), and must be an initiative or idea to solve social issues in a cross-disciplinary way.
